

June 23/64

Dearest Phoebe -

We moved to the farm on May 15th and are just back roads 177 up to 8 pm tonight - this no. includes children's class parties for swim & hot dogs - wk. end guests - V's party of last Sat of 28 or so - Paul's party last week with 28 - and so on - So I have been busy - And always napping at the back of my mind is YOU - I simply must get this information about the Reunion off to you - as I KNOW ~~that~~ you will have heard from Adrian by who is so efficient - but I am absolutely best tonight & won't

write much -

Am wondering whether you saw
Irish? & how she is -

How did your exams go? Victoria
got 3 A's 3 B's & 1 C so got a B+
average & can go to France next year -

It will make the news letter
very heavy if you enclose the "Swiss
information" from D. N. R. J. - but maybe
Adrianne Chagui covered it - You
make your own decision on whether
to send the snaps - or which ones -

It is midnight & am beat after
have Karin's class of 36 kids for a
swiss party - will get this off soon

Aug 13 - almost 2 months since I
began this - don't know how to apologise
- guess the reunion wasn't such a good
idea - I can't seem to wind it up - &
Adrianne will be horrified when I
tell her - & I must tell her - How I
live now.

The next book now approaches 400
& honestly I haven't a moment to write

or read or concentrate - but it's fun -
Victoria went to summer school &
wrote her final today - with a 4th year
honors try course - just phoned a
messant ago to say she thinks she
likely got a B - What were you
doing this summer that you
couldn't get this A - thing off if
I had sent it - Congratulations on
your results - so glad the picnic etc!!
didn't "send" you - Of course I've always
admired your masonry - truly you
have a remarkable masonry - Phoe
& what an asset - I can hardly
recall the reunion - & don't know
what to say about it. - Hawaiian
Dir sending off all this stuff for you
to decipher - & if it is too vague
& you want answers - WRITE questions
to me & I PROMISE to reply AT
ONCE - HONEST!

I met someone at the Golf Club the other
day & she said that Fran Christie lost both
her parents about 2 yrs after the reunion
- but don't know if this is authentic.

Phwa - please pla to come
for a visit soon - summer would
be best as I'm trying to persuade
Dad to come to live with us during
the winters - He will be in
Vanc. in Sept & I know he'll
call you -

Read this stuff over & write
what else you want - the gals
must be panting for the letter

Much love
Patty

It truly was
good to see you -
Frank may be in
Vanc next week but
you may be in Mexico?!

Did you see she
grab what she
was in hosp?

pps I would like
to have these letters
back when you
are through
with them

Dear Patty,

Sorry to be so long answering your letter. I think you did a terrific job on the first one and I guess there is no point in sending a second until we get at least most of the questionnaires back.

I have been talking to Frances Mc Connell, Julia, Dorothy McKenzie & D. Jackson. All of them would prefer the week-end of the 15th as I would. However I am willing to go along with the majority, &

I believe Julia is too. I am also pretty sure Mrs Rayner goes to her camp Tanamakoon on the long week-end. Fran, McCurell said she couldn't let her husband go to their cottage alone. She has no children.

I am going to find out about shows on both the week-ends for you, and prices. O'Keefe might be too expensive although Ed can get us tickets there if we know far enough in advance. The Royal Alex has all been redecorated & should be good too.

You didn't mention your suggestion for a trip to your place & a bar-

equ. That might be a great idea
for Sunday. I have a car & so
has Julia

I have put some addresses on
the back of the questionnaire. Do
you want some of the others and
can you think of anyone else.
Miss Jackson suggested a Miss
Spence whom I don't remember,
do you? Maybe she played the
piano too.

In the second letter I would list
the names of all those who will be
coming so that maybe some others will
change their minds.

I just phoned about shows &
O'Keefe don't know yet what will be

playing between May 15 & 25.

Royal Alex think it might be Spring Thaw but aren't sure & they don't know the seat prices yet. I guess I will have to wait a few weeks to get this information.

I suppose we could go to a dinner club where they put on a show too. There are several of these

I can't think of anything else at the moment. Give my best to Frank. That was quite a conversation that we had on the phone a couple of weeks ago

As ever
Adrienne
